

MORGAN CONSULTING RESOURCES PLACES VICE PRESIDENT OF PRODUCT MANAGEMENT AT STRATACARE, INC.

San Francisco, CA July 2010 – National executive search firm Morgan Consulting Resources, a certified woman owned business, is pleased to announce the placement of Matthew Shults as Vice President of Product Management for StrataCare, Inc., a national bill review software solutions and service company for the workers' compensation industry. Rosie Saenz, Executive Recruiter, led the effort partnering with StrataCare in this search endeavor.

Selected from a nationwide search, Shults brings extensive workers' compensation experience to his new post. As previous CIO for two southern California workers' compensation bill review organizations, CompReview and Diversified Health Services, Matt intimately understands the bill review arena and brings great depth of product and IT knowledge to the position.
